*"I could not exist without it."*

So writes a curate who receives a grant from us. Could one find a more eloquent testimony to the value of our work? The Curates' Augmentation Fund increases the incomes of Curates who have been more than fifteen years in Holy Orders and are still in full active work. It is the only Society founded for this purpose. The average stipend of those receiving grants is about £4 10s. a week—very inadequate remuneration for those who have served the Church long and faithfully—and their stipends decrease as they grow older.

Nearly £5,000 was distributed in grants in 1931.

The Council is most unwilling to refuse a grant to any approved applicant and therefore asks you to send a subscription to the Hon. Treasurer, the Rev. J. F. MARR.

*President*—Sir Charles Owens, C.B.

This Association (founded in 1817) appeals for funds in support of the self-denying labours of the Moravian Missionaries who, for two centuries, have been carrying the Message of the Gospel to earth's darkest places and among the most degraded and backward races.

**The Moravians form THE OLDEST Protestant Missionary Church (founded 1732).** They were :

**THE FIRST to the Jews (1736).**

**THE FIRST to send out Medical Missionaries (1747).**

**THE FIRST to work among Lepers (1818).**

Those won from heathenism are three times as many as the parent Church

Contributions, which are much needed for the maintenance of existing work and for the entering of many open doors, will be gratefully acknowledged by CHARLES HOBDAY, Esq., Chairman and Honorary Secretary, London Association in Aid of Moravian Missions.

### ABROAD

S.P.G., C.M.S., U.M.C.A., B.C.M.S., C.E.Z.M.S., S.A.M.S., and all the other Church missionary societies look to the Bible Society for their Scriptures, and never look in vain.

## THE ELDER LAD FOR THE CHURCH.

# CHURCH LADS' BRIGADE

Founded 1891.

Incorporated 1893.

### CHURCHMEN !

### THE CHURCH LADS' BRIGADE

is the only Church Organisation for

### THE ELDER CHURCH LAD

(14 to 21).

---

**80% of the lads over 14 are lost to the Church.**

---

Being a Church organisation, the C.L.B. closely follows Church order and in every parish the Incumbent, who has the care of souls, is supreme, i.e.—

- (a) He alone can start, maintain, suspend or disband a company.
- (b) He alone can nominate his officers.
- (c) He alone can determine what religious obligation shall be the rule of his company and what lads shall join.
- (d) No orders of his Company Officer are valid unless they are countersigned by him.

It is the greatest economy of time and effort in parish work, for it is a means by which thirty, forty or more of the elder lads of the parish may be brought to the parish priest instead of the heart-breaking labour of seeking out these same lads in their homes.

---

Full particulars on "How to Start a Company of the C.L.B." will be sent on application to the Secretary, the Very Rev. EDGAR ROGERS, O.B.E., M.A., F.S.A., General Headquarters, Aldwych House, Catherine Street, London, W.C.2.

# The Church Pastoral-Aid Society

is a **Home Missionary Society** of the Church of England and helps incumbents of large and populous parishes by means of grants for additional workers, clerical and lay, to proclaim the Gospel in the Church, in the street, and in the homes of the people. The Society lays great stress upon pastoral visitation "from house to house." Last year the Society expended in grants more than £64,201, in the support of 1,066 Agents in all parts of England and Wales.

The Society, through its **Ordination Fund**, seeks to provide an Evangelical Ministry, by means of grants to earnest-minded men of limited means, towards the cost of their training. This Fund was never more needed than in the present day when the shortage of Clergy is a serious menace to the Church's future. 73 candidates are at present being helped.

The Society is loyal to the Reformation Settlement and uses the funds entrusted to it for the propagation of Evangelical truth.

Although but nine years old, the Society has already 125 (24 Clergy, 5 Doctors) British Missionaries in the Field, working in fourteen Missionary Dioceses in

India (U.P. & C.P.) Persia (S.E.) Canada and the Arctic  
China (West and South) Burma (Upper) Africa (E. & W.)

The Synods of four of these Dioceses have passed unanimously resolutions of thanks to the Society for its work.

The great objective is the "regions beyond"—the 800,000,000 untouched by the Gospel of Christ.

In its new *Missionary and Theological College* situated at Clifton (fully recognised by the Church) 58 men are in training, half of whom are for the Home Ministry.

The operations of the Mission in POLAND, the centres of work being Bialystok, Rowno, Brest, Grodno and Wilno, have been greatly blessed, but only a small portion of the one-and-a-half million Jews in Eastern Poland have been reached. In JUGO-SLAVIA, through the efforts of TWO Lady Missionaries, the work is slowly progressing; in Czecho-Slovakia the new work commenced by two missionaries is being greatly blessed; whilst in ENGLAND the agencies are in full working order. Other large centres are waiting to be occupied, but workers and funds are needed.

## PREFACE

THE year now drawing to a close has been one of ever-increasing anxiety for the world in general and not least for our own people at home and overseas. In August the financial crisis, so long predicted by experts and economists, was reached, with results of which we are all now personally and painfully aware. Already pressing heavily upon us, and destined probably to do so to a still greater extent in the near future, the burden is one that must and will test both Church and Nation to the uttermost.

The great missionary societies which have so long and bravely fulfilled the Church's task of evangelization overseas have unhappily been among the first to feel the strain, and already both the Church Missionary Society and the Society for the Propagation of the Gospel in Foreign Parts—to mention the two largest and most venerable—are faced with a deficit of many thousands of pounds as compared with their income in recent years. This is indeed deplorable, especially at a time when in many parts of the mission field there is urgent demand for more teachers, and, therefore, for more money.

And as it is overseas, so also it is with the Church's essential work at home. In view of the new centres which have been created in so many parts of England and Wales, and which are already inhabited by millions of people, the increased need for the Church's ministrations in these areas is pressing beyond description. The fact that nearly 1,700,000 new houses have been built since January 1, 1919, housing one fifth of the total population of our land, is one of very grave significance to the Church, which, more than any other religious body, is properly responsible for the spiritual welfare of the people of England.

In view of such circumstances it is to be hoped that Church-people will consider earnestly before deciding to economize mainly in the direction of such support as they have hitherto given to the Master's work either at home or overseas. In religious as in secular life, there is often room for economizing and for self-denial in regard to luxuries—things that can be given up or done without; but the essentials will still have to be provided if the Church is to fulfil adequately her Divinely appointed task.

Undoubtedly among those classes which are most hardly hit by the financial strain are the clergy, beneficed and unbeneficed. It is true that the changed and improved methods of the last

twenty years have effected splendid results in securing widespread support for the Church's work, bringing in more and more contributors, and broadening the basis of support. But it is undeniable that the burden upon the clergy themselves has at the same time been increased rather than lightened. Thus, to name only two outstanding demands upon them, Dilapidations and Clerical Pensions, it is authoritatively stated that the contributions paid annually by the beneficed clergy out of their own pockets, exceeds £205,000. And those are but two out of the almost innumerable demands, local and general, that incumbents have to meet because of their position and office. Is it altogether surprising if young men who desire a life fairly free from financial stress think seriously before they decide to enter the Church's ministry?

It is, however, all the more cheering to note that the ordinations of deacons for the ecclesiastical year 1930-31 amounted to 503, a number very slightly less than that reached in the preceding year, and that practically all the Theological Colleges are filled with men in course of training for the ministry, many of whom have only reached this stage by dint of much self-sacrifice and persistent effort on the part of themselves or others. Under what is known as the Sponsors' Scheme, so admirably worked by Earl Grey, the complete training of 598 men has been provided for in the years 1927 to 1930. Of these men 205 have been ordained and are at work, the remaining 393 expecting to proceed to ordination before very long. A further list of 200 candidates also exists, and provision has been made for 152 of them. Such facts and figures, dry as they may seem when put on paper, assuredly mean much in the way of encouragement at this juncture.

The Dissolution of Parliament in October, and consequently of the Lower Houses of Convocation, was one of the contributory causes of the decision not to hold the usual Autumn Session of the Church Assembly, but merely a formal meeting of that body on November 16. Incidentally, these circumstances, and the fact that the elections to the Lower Houses of Convocation are now proceeding and will not be completed until next January, prevents our publishing the names of members of the new Houses. We, therefore, print again the membership as it stood at the date of the Dissolution, and would only add that probably there will be no very great accession of new members as a result of the elections now going on. In several dioceses there has not been any contested election, the former members having been returned again.

Of the Measures passed by the Church Assembly and which have become law this year, the two outstanding ones are the Cathedrals Measure and the Benefices (Exercise of Rights of Presentation) Measure. The former has been long discussed and is of comparatively limited interest. But the latter Measure is of the widest possible interest and may ultimately affect thousands of

parishes. It is, of course, a compromise, as indeed anything having to do with such various interests as those of the patrons, the bishops the incumbents, and the parishioners, was bound to be. Briefly, after the Measure comes into force on January 1, 1932, the Bishop will have to notify the patron and the Parochial Church Council concerned of an impending vacancy. On receipt of such notification the Council may make representations to the patron as to the conditions, needs and traditions of the parish and must forward a copy of such representations to the bishop. In the event of the Council not passing a resolution, to be communicated to bishop and patron, requiring that the procedure of the Measure should be followed, the patron will present as heretofore. If, however, such a resolution is passed the patron must confer with the churchwardens as representatives of the Council. If the churchwardens' consent is obtained the patron will be empowered to present his nominee. In the event of such consent being refused or not obtained the approval of the bishop will have to be obtained before presentation can be made. In cases thus referred to the bishop, the latter is empowered to consult a body of Advisers established by the Measure. Such consultation will be compulsory if patron or Parochial Church Council require it. A patron will have the right to appeal to the Archbishop in the event of a decision being given against him. Undoubtedly the Measure is one of great importance, and is a serious contribution to the solution of difficulties connected with Patronage. It does not, however, in any way affect Crown livings.

Finally, sincere expression of gratitude is due to all those, and especially the clergy, who by giving the necessary information and making corrections have contributed so greatly to the value and accuracy of this DIRECTORY. Without such assistance its compilation would be impossible, and we are correspondingly grateful. As in the past so once again, we shall welcome such help as may enable us to make future issues as accurate and useful as possible by the correction of any errors that may be discovered in these pages.

### Index to Advertisements on page 829.

The Publishers would like to commend to the notice of the Clergy the Advertisements in this year's "Directory." They are so varied as to cover almost every requirement of Church life, and the steady study of these announcements will prove interesting and useful. When communicating with the Advertisers, it would be a very great favour if mention were made of this publication.

## CLERGY ORPHAN CORPORATION

**Patron : HIS MAJESTY THE KING.**

*Boys' School :* ST. EDMUND'S SCHOOL, CANTERBURY.

*Girls' School :* ST. MARGARET'S SCHOOL, BUSHEY, HERTS.

These Schools, founded in 1749, are for the Maintenance, Clothing and Education of the Orphan (Fatherless) Children of the Clergy of the Established Church of England and Wales. 4,256 Children have been admitted to the benefits of these Schools, which now contain nearly 220. About 30 children are admitted every year.

The cost of Education has increased enormously and whereas the sum of £9,000 from voluntary sources sufficed in pre-war days, it is now necessary to raise £12,000. The Committee earnestly appeal to all Church people to help forward this work. The need justifies the Schools, and the high commendation of all educational authorities encourage the Committee in making this appeal.

*President :* HIS GRACE THE LORD ARCHBISHOP OF CANTERBURY.

*Treasurer :* THE REV. CANON A. W. MAPLEDEN, LL.D.

*Bankers :* MESSRS. DRUMMONDS, CHARING CROSS, S.W.

# ST. JOHN'S SCHOOL

LEATHERHEAD, SURREY

(Incorporated by Royal Charter, 1922.)

*Visitor* : HIS GRACE THE ARCHBISHOP OF CANTERBURY

*Headmaster* : THE REV. CANON E. A. DOWNES, M.A.

The School was founded in 1851 for the education of the sons of the poorer clergy. Foundationers are educated free of cost. Increased financial help for this purpose is essential.

In 1887 a Supplementary Foundation was added to which the sons of clergy of limited means are admitted at less than half the average cost per boy to the School funds.

Other boys are admitted as Non-Foundationers.

Donations, Annual Subscriptions, Legacies and Scholarship-endowments are solicited.

The Parochial Clergy are specially invited to render the School much more adequate support by arranging for collections in their churches.

Sons of the poorer clergy from 47 out of the 49 dioceses in England and Wales are to-day being educated at an annual cost to the School of £15,000. The entire contribution made by Diocesan grants and church collections towards this is, at present, less than £830 and is therefore most inadequate.

Cheques and Postal Orders should be made payable to the School and crossed "Midland Bank." They should be sent to the Secretary (the Rev. Arthur H. Dolphin), 75, Victoria Street, Westminster, S.W.1.

**Alexandra Orphanage.**—Founded 1758 (inter-denominational). Receives fatherless children (of both sexes) from infancy up to 11 years and retains them until 14 or 15, fully maintaining them and educating them. Children whose fathers are incurably ill, and therefore unable to maintain them, also are eligible. In certain cases motherless and other necessitous children are received. Opportunities occur for suitable children to receive a Secondary Education whilst resident in the Orphanage. Some boys are granted special facilities at a private Nautical College for training as Officers in the Mercantile Marine. President: H.R.H. the Prince of Wales, K.G.; Treasurer: The Rt. Hon. Lord Marshall, P.C., K.C.V.O. Vol. funds, 1930: £9,057. Number resident, 370. Annual report and full particulars may be obtained from the Secretary, Mr. Fred J. Robinson, A.C.I.S., 34-40 Ludgate Hill, E.C.4.

**Barbican Mission to the Jews.** (1889.) The object of this Society is to promote the propagation of Christian truth among the Jews. Its management is undertaken by the President, Committee, Treasurer, and Secretary; the annual income received being about £14,664. Donations will be gratefully received by the Treasurer, Capt. J. A. Campbell; and all particulars supplied by the Secretary, at the Office, 82 Whitechapel Road, London, E. *Chairman of Committee:* Admiral B. Currey. *Secretary:* Rev. I. E. Davidson, M.A.

**Barnardo's Homes (Dr.): National Incorporated Association.**—Have under their charge over 8,000 rescued boys and girls. The Homes, founded by the late Dr. Barnardo in 1866, are established for the reception of Orphan and Destitute Children, without any condition, other than destitution, as to age, sex, creed, birthplace, nationality, or even physical health (epileptics and mental defectives excepted). More than 5,500 of this large family belong to the Church of England, and about 300 annually are prepared for Confirmation. The Institutions now comprise 182 separate Cottages, Households and Branches. Fourteen Ever-Open Doors in London and Provincial towns and cities are included and admission at these Branches is as wide and untrammelled as at Headquarters. In all, the Homes have admitted 110,000 boys and girls. Of these, over 30,000 have been migrated to Canada and the Overseas Dominions. The maintenance of the work is dependent on voluntary contributions. *Patrons:* The King and Queen; *President:* H.R.H. The Duke of York; the *Vice-Presidents* include the Archbishops of Canterbury, York, and Armagh, and a number of the Bishops. *Chairman of Council,* Sir William Fry, D.L., J.P. *Chairman of Executive Committee,* D. J. MacAndrew, Esq. *General Secretary,* Claude Wright, F.I.S.A. *Head Offices and Chief Ever-Open Door,* 18 to 26 Stepney Causeway, London, E.1. Tel. No. East 1098.

**Bible Churchmen's Missionary Society.**—The B.C.M.S. was founded on October 27th, 1922, by a band of earnest Churchmen who wished to have a thoroughly Church Society, progressive and up-to-date, but exclusive of

those modern views concerning the Bible which they believe, undermine its authority, and, therefore, its effectiveness in the pagan world. It preserves continuity in the Church's witness to the trustworthiness of the Canonical Scriptures. While the Society works in perfect concord with all other societies, it desires rather to leave them in the fields of their possession and to strike out into the "regions beyond," the 800,000,000 untouched by the Gospel of Christ. It has already 125 British Missionaries in the field (twenty-four clergy, five doctors), engaged mostly in pioneer work in fourteen Dioceses in India, China; Persia, Burma, Canada and Africa. The synods of four of these dioceses have passed resolutions of gratitude to B.C.M.S. Its Missionary and Theological College, at Clifton, Bristol, also trains candidates for the Home Ministry. *President,* S. H. Gladstone, Esq. *Hon. Secretary,* Rev. Daniel H. C. Bartlett, M.A., D.D. *Hon. Treasurer,* Sir Charles King-Harman, K.C.M.C. *Lay Deputation Secretary,* Admiral Sir Harry Stileman. *Offices,* 14 Victoria Street, S.W.1, close to Westminster Abbey. The record of its Eighth Year is a wonderful tale of Missionary achievement. Its last year's income was £58,069.

**Boys' Brigade, The.**—The Church of England Council of the Boys' Brigade (Abbey House, Westminster, S.W.1) point out that the object of the organisation is solely religious, and is defined as "The Advancement of Christ's Kingdom among Boys." The B.B. is entirely free from a connection with the Military Forces and the full control of the Company rests with the Church with which it is connected. The equipment of a Boy costs less than 5/-. The B.B. affords a splendid opportunity to the Clergy of influencing the Boy for good, and of retaining them for the Church. The total membership is 100,000. The Boys contribute over £4,000 per annum to Foreign Missions. It is the senior of the Boys' Organizations, and deals with Boys from 12 to 18 years of age. The Life Boys is its junior movement for Boys from 9 to 12 years of age.

**Boy Scouts Association.**—This movement is definitely religious, non-military and non-class. The Boy Scout's Promise is: "I promise on my honour to do my best to do my duty to God and to the King, to help other people at all times, and to obey the Scout Law." Scouting provides over two millions of the world's boys with an incentive to chivalry. In his opening Speech at Kandersteg International Conference, Lord Baden Powell, the Chief Scout, said: "The Scout in his promise undertakes to do his duty to his King or Country only in the second place; his first duty is to God. We realise that in addition to the interests of our own particular country there is a higher mission before us, namely, the promotion of the Kingdom of God." It is hoped that parishes where this movement does not yet exist will start troops of packs. Equipment, books, etc., may be purchased from the Scout Shop, all profits being devoted to the funds. Subscriptions, donations, legacies, etc., are much needed to extend the work. Full particulars from the Secretary, 25 Buckingham Palace Road, S.W.1.

**British and Foreign Bible Society.**—The Society exists for the wider circulation of the Holy Scriptures without note or comment. In this enterprise it unites Christians of almost every communion. The Society's list of versions now includes the names of 644 distinct forms of speech. The Anglican Communion throughout the world is teaching to-day in about 200 different languages and dialects. In nearly all of these, versions of some part of the Scriptures have been published. Of such versions, at least 191 are obtained by Church of England Missionaries from the Bible Society, on terms which involve practically no charge on the missions themselves. The S.P.G. has procured the Scriptures from the Bible Society in 86 languages; the C.M.S. has used 147 of the Society's versions; while the U.M.C.A., the Anglican New Guinea Mission, the Melanesian Mission, the C.E.Z.M.S., the Jerusalem and the East Mission, the Church Missions to Jews, the Bible Churchmen's Missionary Society, and the South American Missionary Society obtain from the Bible Society nearly all the editions of the Scriptures which they need. Out of every £1 which the Bible Society spends in production and distribution less than 8s. comes back to it from the proceeds of sales. For the remainder, it must rely on the gifts of Christian people. Gifts will be gratefully acknowledged by the Secretaries, 146 Queen Victoria Street, London, E.C.4.

**Charity Organization Society** maintains a Central Office and twenty-nine local centres in the County of London. At each is a skilled staff in close touch with all the social services, official and voluntary, in the neighbourhood. All kinds of trouble, perplexity and misfortune may be referred to them. Sympathetic individual study of the case will be given and best possible measures devised for restoration to well-being and independence. Last year, 14,876 applications received; £42,207 12s. 6d. was raised and expended on these cases (the Society has no central relief fund). In addition, 18,582 reports were sent out in response to enquiries on cases. A special department is maintained for the sole purpose of replying to enquiries as to the working of institutions and the bona fides of applicants for assistance. Matters arising outside London dealt with through corresponding Societies and individual correspondents in most parts of the United Kingdom and many places all over the world. Central Office, 296, Vauxhall Bridge Road, S.W.1 (close to Victoria station); telephone, Victoria 6164 and 6165.

The Society acts as Trustee of nearly 500 Church Repair Funds, which it administers without charge to the parishes concerned. *President,* The Archbishop of Canterbury; *Secretary,* Clifton Kelway, F.R.Hist.S. *Offices* 7 Queen Anne's Gate, Westminster, S.W.1.

The Association is under the management of the Community and has for its principal object the religious training and education of Children in Schools and Orphanages. *Secretaries,* Miss F. Ashdown and Miss M. Koe; *Offices,* 31 Kilburn Park Road, N.W.6.

**Church House, The Corporation of the.**—Pending the completion of the permanent buildings, by the addition of two new blocks facing Dean's Yard and Tufton St., in addition to the Great Hall and West Blocks, already erected, the Council have adapted the houses standing upon the site and provided offices for many Church Societies. In the halls are held the Sessions of Convocation for the Province of Canterbury, the National Assembly of the Church of England and the House of Laity, and the Meetings and Social Gatherings of the leading Church Societies, forty-six of which have their offices in the building. The Library, containing over 35,000 volumes, houses the finest Hymnological Collection in the world. Membership of the Corporation may be acquired by an annual subscription of at least one guinea; life membership by a donation in one sum of ten guineas. *Secretary,* Canon Partridge, Church House, Dean's Yard, Westminster, S.W.1.

**Church Lads Brigade.**—Founded in 1891, the object of the Church Lads Brigade is to carry on the work of the Church Day and Sunday School among the elder lads from 14 years to 21. The military name and organisation have a definitely religious purpose and are used in a purely symbolic fashion. The C.L.B. in addition to raising its own Service Battalion of the K.R.R.C. from its own members, obtained 22 V.C.s, and about 1,000 other distinctions in the Great War. *C.L.B. Old Comrades.*—An association for banding together all ex-members for the work of the Church and the C.L.B. throughout the world. *C.L.B. Training Corps* has been established for boys from 10 up to 14 years of age. These junior companies work quite separ-

### LIST OF ARCHBISHOPS, BISHOPS AND CLERGY

IN THE

### UNITED KINGDOM, COLONIES AND FOREIGN PARTS

*Note.*—A list of the principal abbreviations used in this Directory will be found in the earlier part of the volume. It is hoped, however, that the meaning of the abbreviations, etc., in the following lists is fairly obvious. In the case of the clergy, where the address is not sufficiently signified in the title of the Cure, it is given immediately after the name. Where no postal address is given, the title of the Cure is sufficient address. The figures at the end of the line in the List of Clergy represent (a) net value of living and (b) population. The asterisk denotes a house of residence.
